mined to have an Alliance picnic at
Shenandoah Junction some time dur-
ing the month of August.

of Carpenter Tools and a Chest,
formerly belonging to G. T. Sheetz.

Forty-two persons were examined
at the Teachers' Examination last
Tuesday. Of these seventeen were
awarded first-class certificates.

A petition has been largely signed
in Shepherdstown asking the postal
authorities to take steps looking to
an early mail service along the Nor-
folk and Western Railroad.

Mr. B. F. Johnson, of Kabetstown,
lost a valuable horse last Saturday.
This makes the third one in three
years which Mr. J. has lost—quite a
burden upon a man of moderate
means.

Mrs. C. F. Thomas had eleven
night blooming cereus bloom out last
Friday night. Mrs. T. has much
good taste in floriculture, and has one
of the most select collections of flowers
in town.

Mr. J. B. McElroy, who for a long
time has been Corporation Engineer
and has done a great deal of land
surveying throughout the county,
has been brought out by his many
friends for the office of County Sur-
veyor.

Rev. Dr. W. H. Meade, who was visit-
ing here, was called home to Roanoke
last week on account of the death of
his little grand-child, Pattie Powers
Prince, aged seven months. The re-
mains were brought here on Saturday
and interred in Zion Church grave-
yard.

The reliable hardware house of
Hoyce Beall, whom people know
that they are in the market with the
best drill on earth—the Bickford &
Huffman. It will soon be time for
those wanting a new drill to be look-
ing around, and you should not pur-
chase without seeing the improved
Bickford and Huffman.

Shade trees in Charles Town are
being severely damaged. One or
two along North George street, at
the court-house and law building,
had the bark eaten off all around by
horses recently and will of course
die. Trees at other points in town
have been depredated upon by vi-
cious boys. Let the trees be pro-
tected.

We return thanks for an invitation
to attend the dedication of the Ran-
dolph-Macon Academy at Front
Royal, August 5th. B. & O. R. R.
will sell round trip tickets over regu-
lar trains, on the day, at half rates,
from Harper's Ferry and Staunton,
and intermediate points, to Strasburg
to connect there with special train for
Front Royal, both going and return-
ing.

The Town Council on July 18,
elected Mr. J. R. A. Mathena town
sargent, and on the following
Thursday night (Mr. Mathena having
declined to accept the position) Mr.
M. E. Young was elected sargent.
The Council voted to accept the
proposition of the authorities of
the M. E. Church South for opening
North Charles street, and the street
committee and city engineer were di-
rected to meet the church trustees
and report at next meeting of the
Council.

As will be seen by reference to our
advertising columns, the next ses-
sion of Stephenson Seminary will
begin Sept. 7. We take pleasure in
calling the attention not only of
the people of our town and county,
but of any in more distant places
who have daughters to educate, to the
advantages of this school. It has now
had an existence in our midst ten
years, and has been steadily growing
in public confidence and favor, as
shown by its increasing numbers. Its
catalogue for the last session
shows an attendance considerably
greater than in any previous year of
its history. With its pleasant location
and grounds, its complete and well
taught course of study, and its full
corps of experienced and faithful
teachers, it ought to have a patron-
age that will not only fill the present
commodious building but encourage
and require its principal to provide
greatly enlarged accommodations.

A Card.

To the Democratic Voters of Jefferson
County:

Some of my friends in various sec-
tions of the county have informed me
that a report has been industri-
ously circulated to the effect that I do
not propose to serve as Deputy under
J. Garland Hurst if he is elected Sher-
iff, but that I will withdraw in favor
of some one else after the primary
election is over. The author of this
report I have not been able to dis-
cover. The motive in its circulation
is very apparent, and that is to in-
jure me before the people of the
county. I take this opportunity to
say to all my friends and the people
generally that this report is entirely
unfounded, and that if Mr. Hurst is
elected Sheriff I shall qualify as one
of his Deputies, and propose per-
form the duties of that office to the
best of my ability, and with strict
regard to my oath of office during the
whole term. I am a candidate
for it because I need it, and there-
fore earnestly ask the support of all
my friends.

LIGHT & WATSON.

The contractors are now at work
on the tunnel to be cut through the
mountain near the mouth of the B. &
O. bridge on the Maryland side. A
force of men will cut in from the
west side and another force from the
east side of the rocky point until they
meet. A cable will probably be
stretched from a point on the
mountain side across the Potomac to
the West Virginia shore, and the
tunnel will be run out on
this and lowered to the river where re-
quired.—Harper's Ferry Sentinel.

past days are evidence of what we
